

DISCOVER AUSTRALIA

A distant land but which is able to give unique emotions to those who wish to see it. An amazing coral reef with soft white sand and crystal clear turquoise waters to admire and enjoy, suggestive sandstone gorges that change color in the sunlight with mysterious millenary Aboriginal rock paintings that allow you to go back in time, have fun with typical animals such as kangaroos, koalas, Tasmanian devil and Australian sea lions, contemplate the magnificence of a place where red sand meets turquoise waters, admire a bright pink lagoon due to the presence of a carotenoid-producing algae, have fun taking a tour in the beach with camels in a pearl farming location and visit green, clean and relaxed lifestyle city.
